HOTEL**
TAKSIM

The Arts Hotel Taksim brings the fascinating city of Istanbul together with artistic touches.

The new address of 30 years of unmatched experience responding to modern needs is opening its doors in Istanbul, in the heart of the world and in the city of art, for giving you the possibility of experiencing unforgettable moments!

With concept rooms ranging from 30 square meters to 250 square meters, Bosphorus-view suites, and 2-storey terrace suites, our hotel provides a modern, plain, and contemporary look while also serving to the business world with its combinable-divisible meeting rooms.

Are you ready for an accommodation experience in the city center that is close to the points of origins of history and art? Arts Hotel Taksim provides a new perspective on luxury by combining elegant, artistic, and comforting touches. It welcomes you with a sophisticated atmosphere that preserves its historical texture as well as its architecture together with stylish decorations and cutting-edge technological facilities. You will deeply enjoy various facilities such as LEAF SPA & WELLNESS, a fitness center, a sauna, and a turkish bath in order to make yourself feel good, relaxed, rejuvenated, and refreshed as in a sanctuary for your body and soul.

You will enjoy different tastes thanks to the restaurant's menu where you will find unique examples of Turkish and world cuisine delicacies and you will spend enjoyable moments at the bar with domestic and imported drinks and cocktails choices.

Arts Hotel Taksim, which also hosts special invitations, congresses and events, festivals, corporate events, accommodates its elite and refined guests as a 4-Star hotel with accessible luxury concept.
